- If you are with an exempt center or are working towards opening a child care program, **please call (334) 270-4100 x 235** to register.

What is Alabama Pathways?

Alabama Pathways is a free online resource for early childhood professionals working in child care facilities. The professional development system addresses the training and education needs of caregivers and teachers in the field of early childhood education and school-age care. The goal of Alabama Pathways is to provide a path to support and advance the best practices of those who care for and teach children from birth through 12 years.
